PROFESSIONAL GRADE

Net Contents:
1 Gallon (3.78 L) **KEEP OUT OF REACH OF CHILDREN**

Bioesque Heavy Duty Cleaner and Degreaser is formulated to remove soot, dirt, grime, soap scum and other organic buildup. A special blend of surfactants and wetting agents breaks the surface tension and penetrates the organic buildup allowing it to be easily wiped away. This product does not contain any harmful chemicals and is completely biodegradable.

DIRECTIONS: For fire soot cleanup spray a generous amount of product on the area to be cleaned and allow it to remain on the surface several minutes to allow complete penetration of organic buildup then simply wipe away. For mold stains in grout areas of shower spray on, let penetrate for several minutes then use scrub brush to remove stains. For cleaning floors use diluted: mix 4-6 oz. per 1 gallon of water. Use with mop or sponge. Heavy dirt/grease: use full strength. Rinse after cleaning. Finished wood: Use diluted only. Not recommended for glass, shiny black appliance (will require rinse).

WARNING!

Causes skin irritation. Causes eye irritation.
Skin Corrosion/Irritation: Category 2
Serious Eye Damage/Eye Irritation: Category 2B

Wash hands thoroughly after handling. It is recommended protective gloves/protective clothing/eye protection/face protection be worn when using this product. Refer to S.D.S for additional safety information pertaining to the use of this product.
